MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT: Senator Gaylord Nelson (D., Wisconsin)

1. This memorandum contains a recommendation submitted for approval of the Deputy Director of Central Intelligence. Such recommendation is contained in paragraph 3.

2. Senator Nelson has expressed a very great interest in knowing a little bit more about the Agency and would like very much to come out and visit the Agency and learn more about it.

3. While normally we would not have much contact with the Senator since he sits on none of the committees of usual interest to the Agency, I do not believe we should let an opportunity like this go by. I would like to suggest that we attempt to arrange a luncheon with you hosting it and a briefing period afterwards. If you agree, I will make the arrangements at a mutually convenient time.
